# OUR SCHOOL GRAMMAR SCHOOL OF JANKO KRAL

- 1<sup>st</sup> academic year 1913/1914
- 'new' building 1922 -1924
- The present state:
  - 215 students in 4-year educational program
  - 18 teachers
  - 10 non-teaching staff members
- Founder: Nitra Self-governing Region

# WHO ARE WE?

---

- Our school resides in a historical building situated in beautiful green surroundings with a relaxation zone, various fruit and exotic trees, bushes, shrubs and herbs.
- We are a small secondary school with approximately 215 students (15-19 years old), what leads to friendly relationships among teachers and students.
- We are proud of many successes achieved by our students in various intellectual, language or sport competitions and projects, many on international level.
- We offer a great deal of activities to our students and partners realizable in our region – hiking, skiing, swimming, sightseeing, excursions.

our school

EcoAlarm

SadOVO

# Sports day in our school

# SPORTS DAY IN OUR SCHOOL

---

- Students of the first and second year exchange the environment in the classroom for grammar school gyms, so that they could demonstrate their sports skills and compare their sports performances with their classmates.
- The student school board, in cooperation with PE teachers, prepared non-traditional athletic disciplines and sports games for students.

# EYOF

---

- European Youth Olympic Festival.
- On June 1, the students of the second year of our gymnasium participated in the Olympic Children's Day with EYOF in Banská Bystrica.
- The Olympic Children's Day with the EYOF and the city of Banská Bystrica took place on the occasion of the bringing of the Olympic flame from Rome to Banská Bystrica.
- The day in the park under the SNP memorial began with a warm-up with the six-time Olympic medalist biathlete Nasťa Kuzminová.
- Students were able to try out various traditional and less traditional sports and get acquainted with the history and geography of European countries.

# Gate of languages opened – linguistic competition

Gymnázium Janka Kráľa, Zlaté Moravce, Slovakia. KA122-SCH - CDA5A1A3. Let's learn to be active, healthy and happy from one another.  
Alicante, Spain 3.7. - 9.7. 2022. [www.gjkzm.sk](http://www.gjkzm.sk)

# GATE OF LANGUAGES OPENED – LINGUISTIC COMPETITION

---

- Activity held on the occasion of the European Day of Languages.
- The language gate is open every year to primary school pupils in our city and region.
- In this school year, we welcomed 14 three-member teams on September 22, 2021
- The assignments were formulated in a playful form (assignment, coloring, crosswords solutions, or interpretation of pictograms and other characteristics), which checked not only their language skills, but also observations, speed, language estimate and team cooperation.

# Biodiversity project in our school

# BIODIVERSITY PROJECT IN OUR SCHOOL

---

- The Biodiversity to Schools project supported the change of school premises in schools towards increasing diversity leading to a better microclimate in the school premises and creating an interesting educational space for students.
- Design of beautification of the school premises.
- Planting fruit bushes and woody plants.
- Creation of a rest zone through wooden pallets.
- Collecting rainwater for watering.
- Construction of an insect hotel.

Alicante, Spain 3.7. - 9.7. 2022. [www.gjkzm.sk](http://www.gjkzm.sk)

# ECOALARM

---

- The aim of the project is to introduce a system of collection of sorted waste at Slovak primary and secondary schools.
- Our school has acquired containers for three-component sorted collection. Blue for paper, yellow for plastics and the third for biowaste or mixed waste (at the school's own discretion).
- All baskets are made of secondary raw materials and are made in Slovakia.

# SadOVO

Gymnázium Janka Kráľa, Zlaté Moravce, Slovakia. KA122-SCH - CDA5A1A3. Let's learn to be active, healthy and happy from one another.  
Alicante, Spain 3.7. - 9.7. 2022. [www.gjkzm.sk](http://www.gjkzm.sk)

# SADOVO

---

- Our gymnasium was selected as one of ten schools from all over Slovakia for the SadOVO project.
- The project focuses on old and regional varieties of apple and pear trees.
- The aim is, in cooperation with experts, to plant high-stem orchards on the premises of primary and secondary schools.
- A three-day course for students and teachers.
