Our School

Grammar school of Janko Kral

- 1st academic year 1913/1914
- „new building“ 1922 – 1924
- The present state:
 - 215 students in 4-year educational program
 - 18 teachers
 - 10 non-teaching staff members
- Founder: Nitra Self-governing Region

Who are we?

- Our school resides in a historical building situated in beautiful green surroundings with a relaxation zone, various fruit and exotic trees, bushes, shrubs and herbs.
- We are a small institution with approximately 215 students (15-19 years old), what leads to friendly relationships among teachers and students.
- We are proud of many successes achieved by our students in various intellectual, language or sport competitions and projects, many on international level.
- We offer a great deal of activities to our students and partners realizable in our region – hiking, skiing, swimming, sightseeing, excursions.
