Differences

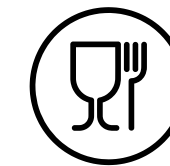

Lessons

- At GJK, classes last 45 minutes
- 3 times a week I end with the seventh lesson

Grading

- We are graded all year and the final grade is made from the average

Food

- we have 35 minutes lunch break after 5th lesson
- mostly students eat in canteen

Matura

- compulsory subjects - Slovak language, foreign language
- + 2 or 3 subjects

People

- Slovaks are more friendly and more caring (my opinion)
- Austrians are more cold

Country

- The cities here and the villages are much cleaner
- In Slovakia you can see a lot of abandoned buildings

You!
